“First State Manufacturing has an established reputation for producing high quality products for the F-16 and Joint Air-to-Surface Strike Missile, in addition to serving any other military and industrial contracts.”

~ Tester, PAX River Naval Air Station Newspaper

“We have enlisted the services of First State Manufacturing for all of our industrial upholstery needs for some time. We have found them to be consistent, of good reputation, and readily refer them as a reliable manufacturer for any commercial upholstery needs.”

~ SSGT Cathy Kuykendall, 436 Aircraft Generation Squadron, Dover Air Force Base, Delaware

“First State Manufacturing, an 8a small business in Delaware, is "God's Gift" to aircraft cover manufacturing, They've been tasked with providing the entire suite of V-22 aircraft plugs and covers. Eli, (president and CEO) and Ashley (VP) both came many times personally to perform most of the advance design and prototyping work themselves. Their work always exceeds user expectations...”

~ Bill Stone, NAVAIR APML
